

Greater Van Gogos

Greater Van Gogos is a network of more than 25 groups of grandmothers and 'grandothers' in Metro Vancouver and its surrounding cities.

We raise awareness about grandmothers in Africa who are the heart of the continent's response to HIV/AIDS. They are caring for a generation of orphans who are the hope of the future. Members of the **Greater Van Gogos** have pledged not to rest until African grandmothers can rest. ***Will you join us?***

Our fundraising proceeds go to the **Grandmothers to Grandmothers Campaign** of the Stephen Lewis Foundation which works with grassroots projects serving grandmothers and orphaned children in 15 African countries. For more information about the Grandmothers Campaign visit www.grandmotherscampaign.org or call toll free 1.888.203.9990.
